

KEEPING YOU SAFE

As a church we are doing our best to follow the CDC's guidelines to keep people safe from COVID19.

- We are asking that you will wear a mask as you come into the building until you are seated. If you wish to remove your masks, please do so only after you have been seated.
- We also ask that you would follow the instructions of the greeting team as they guide you to your seats.
- If you need to use the restroom, please use the one in the lobby upstairs unless your family is in a family room downstairs.
- Please feel free to use the hand sanitizers that are positioned in different areas of the building.
- Our cleaning teams will sanitize the high touch areas after the service, and we will be cleaning the building thoroughly during the week to ensure that things are ready for your return the following week.
- ***Please do not congregate in the lobby but if you would like to fellowship with others, please leave space for others that may be exiting the building. Also, please wear your mask and keep at least 6 feet apart if you wish to fellowship together, inside the building.***

Please refrain from handshakes or hugs at this time. Even if you are not concerned about infection, others may be. Please show love and respect for each other by following these guidelines.

Welcome!

Thank you for being our guest today! We are honored you have chosen to worship with us this morning. *If you are a first time guest*, here is what you can expect today. We will sing songs of praise; there will be teaching from the Bible, and an opportunity for you to respond.

How can we pray for you? Inside your printed program, you will find a little card. Please fill it out and place it in the offering box. This is how we know you are here and also how we can pray for you.
